

The Tiny Top is designed to go up just about anywhere and can fit into areas that other venues might find difficult. Made from a unique red powder coated metal frame and cream vinyl, the Tiny Top stands out in the crowd. Banner designs by KT Prescott give the Tiny Top a sense of atmosphere.

THE TINY TOP

Set up time: Two hours
Fit out time: Three hours
Pack up time: Three hours

DIMENSIONS

Tent width: 4.3 m
Tent depth: 7 m
Height of side walls: 2.2 m
Height at twin peaks: 4 m

ELECTRICAL (single phase)

Lighting: Up to six 150 watt lights
Pop corn machine: 700 watts
Heater (when needed): 2000 watt
One 15 amp outlet will be enough to supply the Tiny Top.

SEATING

When used for usual ticketed performances the Tiny Top has seating for 36 people. A few more chairs can be added if the need arises.
For non ticketed (free entry) the front wall can be removed to allow people standing at the front of the tent see shows. This will allow over 100 people to see a show.
The seating can also be removed leaving at totally open space inside.

STAGE

4m wide x 2m deep

SAFETY

Fire extinguishers, first aid kit, wheel chair access, exit and no smoking signs.

ALSO AVAILABLE

Other fantastic tents ranging from 3.3m x 3.3m to 15m x 12m.
